INFORMATION

If you are a new starter or you want directions to get to the start please contact me on the number below. If you wish to join us and require a lift, again contact me preferably at least a day before the ramble. I can't promise but I will try to arrange a lift for you. Also use this number if you are not sure the walk is on due to poor weather.

SPECIAL NOTE:- Due to my regular lift person having an accident I would like to know if there is any offers when Barry may be on holiday. Please contact me below.

Contact :- Fred 01946 695906.
